Dear Members of the CASS Education Committee and distribution list

Please find attached Microsoft Word versions of the Attachment 10 under Part 3 Item 12.1 from the
meeting held on Monday 13 August 2012.

I have also attached the following two additional documents:

Course Amendment Resourcing Form
This form must accompany all course amendment proposals and must be completed and signed by the
Head of School or relevant authority. This indicates that the proposal has been endorsed by the School
or Centre. Proposals submitted without this form will not be considered.

Writing Learning Outcomes
This is an excellent resource for academics wishing to review the learning outcomes of their course(s).
It is a clear and helpful guide to writing learning outcomes and also includes examples.

Please let me know if you have any questions.

Kind regards,

Rav
