

National Centre of Biography News

December 2025

The NCB News is the monthly newsletter of the National Centre of Biography. Got biographical news to share? Send us an email at ncb@anu.edu.au.

That's a wrap!

Biography Footnotes is the National Centre of Biography's annual newsletter and has been published since 2009.

This issue documents happenings at the NCB throughout 2025. In it you can read about staff and student research projects, learn more about our collaborations with the GLAM and education sectors, and read a summary of all the events we have hosted over the past twelve months. This number spotlights professional staff past and present, who have made very important contributions over many decades. And of course we provide updates on our major project, the *Australian Dictionary of Biography*, as well as our work with ANU Press.

Find your copy of *Biography Footnotes* no. 26 attached to this email, or download it via the [NCB website](#) now!
